The Council Activity Guides

The Council Facilitator Activity Guides are fully developed 10-week curricula to engage, challenge, celebrate, develop, and unite boys. The user-friendly guides contain step-by-step instructions on leading discussions, teambuilding, and creative activities.

Simply gather your materials and begin! Easily adaptable to your own unique setting.

Growing Healthy, Going Strong

10 Weeks. Ages 9-14. \$129
Boys will have fun identifying social-emotional messages, experiences, attitudes, and smart options for growing up male in our culture. Competition, bullying, recognizing and expressing emotions, male and female role expectations, self confidence, and teamwork are highlighted through games and team challenges. Boys develop vocabulary and skills to expect and enact fairness, healthy competition, and respect for self and others.

Standing Together: A Journey Into Respect

10 Weeks. Ages 9-14. \$129
This guide provides engaging ways to address common themes which pre-teens and early adolescents encounter, including breaking down social-cultural barriers, motives and actions around put-downs, knowing their personal rights, defining assumptions about male power, respecting others' physical boundaries, understanding and using the energy of strong emotions, and standing up for each other in community.

Living A Legacy: A Rite of Passage

10 Weeks. Ages 14-18. \$129
Young men gain skills and knowledge to navigate growing up male in today's society through the introduction of topics and experiential activities that address a myriad of relevant challenges - safely, powerfully, and within a spirit of "council" connection. Boys will explore: relationships, conflict resolution, education, leadership, community service, diversity, mass media messages, personal values, integrity, and future goals.

Journey of the Great Warrior

Empowering Minority and Disenfranchised Youth
18 Weeks. Ages 13-18. \$199
(Recommended Prerequisite: Living a Legacy Activity Guide.) Recognizes assets and barriers of marginalized youth. Using creative challenges, personal narratives, and the restorative environment of nature, it respectfully explores both effective and limiting survival strategies – such as addictions and aggression – and builds upon individual, collective and cultural assets.
